4 Killed, 50 Injured In Automobile Wreck

(By Associated Press.)
CHICAGO, Ill., July 15.—A 14-year-old girl was killed and probably 50 persons were injured in an automobile accident resulting indirectly from the congestion caused by an unexpected strike of power house electricians which crippled street car service here today. The elevated lines are not affected by the strike.

The girl was killed when a motor truck carrying 40 persons to work crashed into a trolley pole.

The strike affects 3000 workers, according to union officials. Street car officials said the cars were running on the principal lines.

No warning of the strike was given, it was said. It is alleged the workers demanded a 33 per cent increase in wages.

CHRISTENSEN TO HEAD THE NEW PARTY

(By Associated Press.)
CHICAGO, Ill., July 15.—A new party, composed of farmers and the labor party, entered the political arena early this morning with Percy P. Christensen, a Salt Lake City (Utah) attorney, and Max S. Hayes, editor of a Cleveland (Ohio) labor newspaper, as its nominees for the presidency and vice presidency, respectively.

The new party, which resulted from a fusion of various minority groups, chiefly the National Labor party and the Committee of Forty-eight, was completed at 4 o'clock this morning.

Not all the Committee of Forty-eight remained with the fusion party, however, and hundreds of dissatisfied delegates met today to consider the continuation of that organization, possibly with candidates and a platform of their own.

Christensen was Chairman of the Committee of Forty-eight before the fusion was voted.

Big Scheme for Higher Values for Silver

NOGALES, Ariz., July 15.—(Associated Press.)—The Chamber of Commerce has joined with Charles Butters, mining expert of New York and San Francisco, to promote the formation in Mexico of an association of silver mine owners and silver producers to rebuild the abandoned mines throughout the nation and thus bring about once more the free and unlimited coinage of silver.

Butters states that if the old-time coinage plan is reestablished it will mean Mexico will coin 500 million ounces of silver.

The mining expert has extensive interests in mines in Mexico, Salvador and Nicaragua, and is known for his introduction of the cyanide reduction process into Mexico. He says the greatest need of Mexico today is small change and "hard money."

Mexico Stripped of Silver.
Two revolutions and the world war, says Butters, have stripped Mexico bare of silver coin. In its place, he says, is a vast quantity of paper money, issued by the varying governments as fiat money. He blames the great flood of paper money in Mexico for most of the suffering in that nation in connection with the various revolutions.

His plan, backed by the Nogaes Chamber of Commerce, is to have the old mines rebuilt and placed in operation by the association of silver mine interests at the cost of the association and place the mine in operation. Then the cost of the renewed mine would be recovered by the association from the mint profits over a course of years. Upon the paying out of the capital charge in restoring the mine, they are to be returned to the Mexican federal government as its property, to be thereafter operated under supervision of the federal government.

Stimulate Silver Market.
This system, according to the silver mine expert, has threefold benefits. First, it will at once restore to Mexico the "hard money" and small change needed by merchants, banks and business men and now lacking. Second, it will provide a permanent primary market for some few large amounts of silver production. Third, it will stabilize the silver market, because the Mexican mine requirements will take up a great quantity of silver now exported and sold on a speculative market through San Francisco for the Orient. Also, this will serve to stimulate silver production because of the better market conditions, and thus raise the primary market price for the semi-precious metal.

President Hersey Curtis of the Nogaes Chamber of Commerce has named a committee of prominent men to take up the mint proposal with General Alvaro Obregon on his impending visit to his home in sales, sources, this month.

Changes in Personnel At Camp Furlong

Following are among the changes in the personnel at Camp Furlong: Major French promoted to colonel of infantry.

Colonel Deane is now a lieutenant colonel.

Major Ripley promoted to lieutenant colonel.

Captain T. R. Manfresty is promoted to major.

First Lieutenant Edward Heitly will now wear a captain's bars.

Federation of Labor Endorses Dem. Platform

WASHINGTON, D. C., July 15.—Virtual endorsement is given to the Democratic national platform by the American Federation of Labor in a formal statement issued here last night.

The federation's pronouncement, signed by President Samuel Gompers and Vice Presidents Joseph Valentine, William Green and Matthew Woll, analyzes the platform adopted at San Francisco to show the comparisons between the proposals submitted by labor and the planks incorporated in the document.

Comment accompanies the parallel planks proposed and those adopted to point out the effect of the convention's action in each instance as viewed by labor, and then conclusions are drawn to guide the workers of the country in the November election.

Democratic Party Progressive.
"In summarizing," says the portion of the statement devoted to conclusions, "it is but fair to say that the Democratic platform marks a measure of progress not found in the platform of the Republican party. In relation to labor's proposals the planks written in the Democratic platform more nearly approximate the desired declarations of human rights than do the planks found in the Republican platform."

President Gompers and the four vice presidents seek to avoid a definite stand in favor of the Democratic candidates for president and vice president and against the Republican ticket.

The approval of the Democratic platform, following close on the federation's severe condemnation of the Republican platform, however, cannot be interpreted by practical politicians in any other light than as an appeal to the workers affiliated with organized labor in support of Cox and Roosevelt.

The "facts upon the records of both parties," insofar as their platform are concerned, from the federation's viewpoint, are that the Democrats adopted a platform acceptable in its principal features, while the Republican declaration have been declared wholly unsatisfactory.

Senator Reed Will Support Ticket

ST. JOSEPH, Mo., July 15.—Reed, stating his opposition to the movement of the league of nations as it is now framed and declaring he will not recede one inch from the position he has previously taken, Senator James A. Reed of Missouri, addressing a meeting here last night, declared he intended to support the Democratic candidates in the coming election, notwithstanding the declarations of the party in regard to the league of nations.

"I intend to support the Democratic ticket," Senator Reed asserted, "because the great principle of the Democratic which have survived the vicissitudes of the century still live."

Wilson-Cox Split Decried

WASHINGTON, D. C., July 15.—Governor Cox's conferences with President Wilson at the White House Sunday morning will be entirely harmonious and will put an end to the stories of friction between them, according to Judge Timothy T. Ansherry, who returned to Washington yesterday.

Effective Printing

means good type, good press, good workmen and good paper. We have the equipment and the workmen for you, and the Hammermill grade of bond, safety and cover paper. Let us show you.

SMALL TALK

Dance Made Hot Ever.
All who attended the Pythian sisters' dance last night are loud in their praise of the music furnished by the Columbus theater orchestra.

Bale to the Acce.
Experts in cotton who have visited the various cotton fields in Luna county state the yield of this year's experimental crop will average a bale to the acre.

Hot Smoker, Fave!
A baseball club from Lordsburg visited the Denning club town. Here's a chance for the Columbus club to win back its reputation with a quick challenge.

Newsdealer Merchants Here

Philip Bohn of El Paso, partner in the Columbus Furniture Company in this city, arrived last evening and will spend several days here.

Mrs. McCurdy to Tour Coast

Mrs. W. N. McCurdy of this city is the guest of Lord Westminister and family of Denning on a motor tour to and up and down the Pacific coast. The party will be absent a month.

Stand Off El Paso Now

People who wear starched collars can now have them ironed in the most up to date manner by sending them to the Columbus Steam Laundry, phone 25. A new collar machine has been added to the equipment, making this concern not only the largest but one of the best laundries in the state. The payroll of the laundry last week was \$625, and it is approximately the same every week.

Pythian Sisters' Dance a Success

The midsummer ball of the local lodge of Pythian Sisters last night in this city was a success, both financially and in attendance. The ladies outdid themselves in really seeing that everyone had a good time. There were no "wall flowers." The punch was better than if it had had a "kick" in it, and the music, well, nobody sat still. The ladies have set a precedent in dances in Columbus.

Mrs. Seannee Pearce Entertains

Mrs. Seannee Pearce entertained the Twelve Trump Card Club Tuesday afternoon from 3 to 5. The rooms were artistically decorated with flowers from her own garden. Delicious cakes and salad were dispensed. Mrs. Pearce's mother, Mrs. M. J. Chapman of Dodge City, Iowa, is visiting here. The guests were Mesdames William King, George Peters, J. H. Cox, W. L. Moody and Miss Cornelia B. Otis.

Look Out for Saturday's Courier

Saturday's edition of the Columbus Daily Courier will not only be the largest edition ever printed, but it will contain more news of a personal nature than ever was attempted in this portion of the state. You will find in it what you always wanted to know about the business men of Columbus and their success as business men here. Every paragraph in this issue will be interesting. For additional copies have your orders at the Courier office.

Card Club Entertains

The Twelve Trump Card Club entertained Wednesday afternoon from 3 to 5 at the home of Miss Cornelia B. Otis to compliment Mrs. Seannee Pearce's mother, Mrs. M. J. Chapman of Dodge City, Iowa. The afternoon was spent showing the guests craft at needlework, after which a delicious salad course was dispensed. The guests were Mesdames M. J. Chapman, Mrs. M. J. Peters, William King, J. Moore, J. H. Cox, George Peters, W. L. Moody and Miss Cornelia B. Otis.

Squadron of Airplanes Leave for Nome, Alaska

(By Associated Press.)
MINNEAPOLIS, Minn., July 15.—Four Army airplanes, comprising the Alaskan flying expedition, left Mitchell Field on Long Island at 12:30 o'clock p. m. today on their 6000-mile round trip flight to Nome, Alaska.

"High Cost Fighters"

We are FIGHTING to reduce the high cost of living in Columbus.

We have the goods and the prices to FIGHT with. They will bring down your costs and keep you pleased. Your dollars will buy a real "dollar's" worth here.

PUCHI BROS.

Columbus Laundry Now Has Collar Machine

J. F. Vinson, manager of the Columbus Steam Laundry, has built up a laundry business which is the largest in the state of New Mexico and equalled only in El Paso.

This splendid business has been developed by Mr. Vinson through Army contracts. Handicapped at the start by lack of equipment and harassed by freight congestion which prevented delivery of supplies, Mr. Vinson has had "his own troubles," but today his troubles are far as equipment is concerned are over.

A new collar machine has arrived and is being installed, and will be in working condition Monday, July 19. Mr. Vinson guarantees to iron collars equal or superior to any laundry in El Paso.

Columbus people should respond to the exertions of Mr. and Mrs. J. F. Vinson by sending all of their laundry work to this enterprising firm. Next Monday telephone No. 25 and tell them to call for your laundry.
